Profile

Computer Science undergraduate with a focus on AI, Machine Learning, and Data Science. Currently studying at **NxtWave Institute of Advanced Technologies (NIAT), Pune**, and pursuing a **B.Tech CSE, DS at Ajeenkya DY Patil University (ADYPU), Pune**. Serving as the **President of the NxtWave Student General Council (NSGC)** at NIAT. Skilled in **Python programming, front-end web development, and basic database management (MySQL)**. Proficient in using AI tools productively. Actively seeking **software or web development internships** to apply my skills and contribute to innovative projects.

- **NxtWave of Innovation in Advanced Technologies (NIAT)**, 2025-2029
  Industry-ready Computer Science program (AI & ML specialization)

- **Ajeenkya D Y Patil University, Pune (ADYPU)**, 2025-2029
  Bachelor of Technology (B.Tech) in Computer Science, Data Science

Skills

- **Languages**: Python, HTML, CSS, JavaScript, SQL (MySQL), SQLite, C++, React.JS, Node.JS, Express.JS
- **Web Development**: Front-end development (responsive design), Backend integration with database.
- **Databases**: SQL integration and querying
- **Other**: AI/ML fundamentals, efficiently using Gen AI tools
- **Qualities**: Leadership, Communication and Responsible

Projects

- **UPSC Registration** – Python & MySQL (Python-SQL interface program) [Backend]
- **Air Ticket Reservation** – Python & MySQL (Integrated SQL program) [Backend]
- **E-Commerce Website** – HTML & CSS (Responsive frontend website)
- **Fashion Shopping Website** – HTML & CSS (Responsive frontend website)
- **EV Company Website** – HTML, CSS, JS (Responsive frontend website)
- **Tesla Car Booking System** – Python & MySQL (SQL integrated program) [Backend]
- **NSGC President Website**- HTML, CSS, JS (Responsive frontend website)

- **Badminton Slot Booking –** HTML, CSS, JS, Python (Flask), PostgreSQL

Languages

- Tamil (Native)
- English (Fluent)
- Hindi (Conversational)

Hobbies

- Outdoor sports and team games
- Exploring movies and series
- Continuous learning in technology and personal development
